And seeks to catch his tail,

But still he beats the man who lies
Around and whines and never tries

We are selling a line of the ever popular Blue Serge Suits at \$10, \$12.50 and \$15 "that are
better values than can be found elsewhere."

We are selling a line of Cassimere and Cheviot Suits that comprise all the newest shades that
fashion prescribes at \$12.50, \$15 and \$18 that we bought in quantities so big that we gained price
concessions that enable us to give you values in this line "that stand alone," not only in Maysville,

"Columbus"

The name "Columbus" on a buggy is equivalent
to the word "Sterling" on silver—it's an indication of
buggy perfection. The Columbus work is beautifully
made and finished, light running and stylish looking,
and, above all,

Durable!

A Columbus Buggy lasting twice as long as an ordi-
nary buggy. Ask any Columbus owner. That Ma-
son and adjoining counties appreciate a good thing is
demonstrated by the fact that every year we sell from
75 to 100 Columbus jobs.

A man from Central Kentucky told us the other
day that we are selling the Columbus work at from
\$10 to \$15 less than dealers in his locality. We re-
minded him that this is the Square Deal Store.

Street Improvement

The city is doing a much-needed im-
provement in West Third street, between Lower
and Short, in moving a wall back on the South
side and widening the street. Owing to the
bulging of the wall the street had been made
so narrow that traffic over it was considerably
interfered with. After broadening the street
it will be crowned and tarved and made one
of the real substantial thoroughfares of the
city.

Local Representative Wanted

A corporation of National reputation desires
to appoint a local representative to look after
its fast growing interests in Maysville and sur-
rounding territory. The work is dignified and
profitable. Entire time must be given to
work. A "live wire" will be permanently es-
tablished in a business paying large returns on
the investment, for which ample security is
given. There is a fast growing demand for
the product you will represent. Address all
communications to J. L. Bowler, 326 West
Fourth street, Cincinnati, O.

THE leaders are dividing. Governor WILLSON says the nomination of Judge O'REAR would be a calamity and that he cannot support him. Congressman LANGLEY will support him to the last ditch. Governor BRADLEY is making no fuss about the matter, but is understood to look with little favor on O'REAR's aspirations.—Winchester Democrat.

It has been suggested that the new County Infirmary might be built on the Infirmary farm South of the C. and O. Railroad. Or why not on the Omar Dodson farm West of the Cemetery? Then there is Charleston Bottom, or the magnificent Dover site, than which there is nowhere on earth richer land or lovelier scenery. Look around, Judge Rick, and get busy; it's up to you mainly.

Noted Editor Here

Hon. R. R. Perry, Editor and proprietor of the Winchester Sun-Sentinel, a witty and pungent writer and one of the oldest and ablest newspaper men in the State, and besides being a Civil War veteran and ex-Postmaster, was in Maysville yesterday and made The Ledger office a pleasant call. He visited the three newspaper offices in Maysville, taking notes for the conduct of his new publication at Winchester.

No Sunday Excursions

It has been decided by the C. and O. that no Sunday excursions will be run this year on the Cincinnati division, owing to the heavy traffic now being handled on a single track. A new time card will go into effect next Sunday on the road, with a few changes. Trains No. 16 and 17, now run daily except Sunday, will be run seven days a week under the new schedule.

NEW WATER TANK

Fifty Thousand Gallon Pump Plant
Being Built By C. and O. at
New Docks

The C. and O. continues to add to its facilities at Maysville for the quick dispatch of both passenger and freight trains. The Company is erecting just East of the new coal docks a 50,000-gallon water tank, the whole affair being complete, solid and substantial and built mostly of steel.

The pump house will be on the river bank fronting the property of the Maysville Pressed Brick Company, and the power will be furnished by a 20-horse-power gasoline engine.

With the double tracks, the block and telephone systems, modern coal plant, two 50,000-gallon water tanks and a new turntable, the C. and O. will be prepared to handle all business at Maysville in a manner to keep up with the railroad procession.

The C. and O. road, however, is so short of side-track facilities at Maysville, as is also the L. and N., that Robinson's Circus, train of forty cars cannot be accommodated.

SHE SUFFERED FIVE YEARS

Finally Cured by Lydia E. Pinkham's Vegetable Compound.

Erie, Pa.—"I suffered for five years from female troubles and at last was almost helpless. I went to three doctors and they did me no good, so my sister advised me to try Lydia E. Pinkham's Vegetable Compound, and when I had taken only two bottles I could see a big change, so I took six bottles and I am now strong and well again. I don't know how to express my thanks for the good it has done me and I hope all suffering women will give Lydia E. Pinkham's Vegetable Compound a trial. It was worth its weight in gold."—Mrs. J. P. ENDLICH, R. F. D. No. 7, Erie, Pa.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. GOVERNOR COX AT MAYFIELD

Was Given a Royal Welcome by All and Enjoyed His Visit Very Much

Mayfield Daily Messenger.

Lieutenant Governor William H. Cox, a Republican candidate for Governor, was in the city Monday shaking hands with his Graves county Republican friends.

Governor Cox is very popular with both parties and has made many friends since he has been Lieutenant Governor.

He wants to be the Republican nominee for Governor and hopes to be nominated at the coming Republican State Convention, which will meet in Louisville July 11th. He met many people here and was given a right royal welcome by all who met him.

Of course, a nomination will be an empty honor, but should the State again be forced to be afflicted with a Republican Governor, Mr. Cox will suit about as well or better than any other Republican.

Even though Mr. Cox is nominated he will have a poor show to best Mr. McCreary, but for all that, he is an elegant gentleman and was given a hearty welcome by the people here Monday.

For Catarrh

Medicine Free in Every Case Where it Fails to Relieve

Neglect or pessimism, I believe, is the greatest enemy the public has to contend with when applied to the loss or recovery of health. Practically every case of consumption might have been cured if hope had been maintained and proper treatment had been resorted to at the first symptom of the disease. Until the advanced stage is reached consumption is curable. Catarrh is responsible, I believe, for many cases of consumption. It is about catarrh I want to talk to you today, incidentally consumption, since the two are so closely allied.

I have a medicine made from a prescription of one of the most successful catarrh specialists known. I believe it is positively without an equal. I am so satisfied that I am right, that I will supply the medicine free in every instance where it is used according to directions for a reasonable length of time, should it fail to give satisfaction in every particular. I want everyone to try this medicine at my risk. There are no conditions attached to my offer. I put the user under no obligation to me whatever.

The medicine I want you to try is Rexall Muc-Tone. It is a catarrh remedy that goes direct to the seat of trouble. It is carried by the blood to every part of the system. It purifies and enriches the blood, tones up the mucous cells and brings about a condition of health and strength that tends to prevent the germs of consumption from getting a start. Besides this, Rexall Muc-Tone is a wonderful appetizer, digestive aid and flesh builder. Its good effects are often felt from the very first dose. It is one of the largest and most satisfactory selling medicines that I have ever had anything to do with.

I know so much of the great good that it has done that I personally back it up with my reputation and money, which fact should be ample guarantee to satisfy anybody. Rexall Muc-Tone comes in two sizes, 50 cents and \$1. I urge you to try it. Remember, you can obtain Rexall Remedies in Maysville only at my store, the Rexall Store, Thomas J. Chenoweth, Second and Sutton streets.

Major T. E. Aislatter and Lieutenant W. C. Tyler of the Ohio District Board of United States Engineers have viewed the site selected for Dam No. 28 in the Ohio river at Marcums, two miles below Huntington, W. Va., and approved it. Work will be started on the Dam as soon as preliminary arrangements can be completed. It will be built by the Government on the day labor plan and Lieutenant Tyler will be in charge of the work. Four years will be required for the completion of the Dam, and about 300 men will be employed. It is estimated that the Lock and Dam will cost \$1,400,000.

KEEP THE KIDNEYS WELL

HEALTH IS WORTH SAYING, AND SOME MAYSVILLE PEOPLE KNOW HOW TO SAVE IT

Many Maysville people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when most all diseases and aches and pains due to weak kidneys can be quickly relieved by the use of Doan's Kidney Pills. The following statement leaves no ground for doubt:

John O'Neill, Front street, Augusta, Ky., says:

"I willingly give my name as an endorser of Doan's Kidney Pills as I believe there is no other kidney remedy on the market today equal to them. They have been used on numerous occasions by myself and other members of the family and have never failed to bring the desired results. I am sometimes exposed to the weather and this served to weaken my kidneys, as ever cold I contracted caused back-ache. Doan's Kidney Pills quickly rid me of the annoyance."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

20% UNDERFEED INVESTMENT

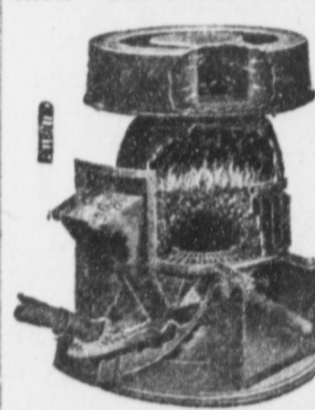

Most heating systems are an actual drag on the domestic treasury. If you want to enjoy actual every-winter dividends, tear out your old glutinous coal-eater, with its uneven heat and hard-to-satisfy appetite for fuel. Put in a

PECK-WILLIAMSON UNDERFEED FURNACE OR BOILER

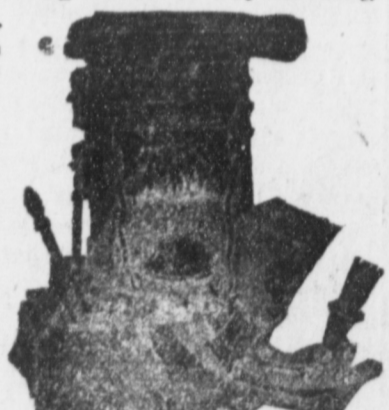

Choose the system you like best—warm air, steam or hot water. Cheapest slack in the Underfeed yields as much clean, even heat as most expensive grades; which ordinary heating plants require. All the fire is on top and has to eat down into the fresh coal against the draft. Combustion is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed furnace and boiler users to

SAVE 20% TO 30% OF COAL BILLS.

This saving represents a 20% dividend on the investment for this modern system of heating. Figure it out. It won't take long to get your money back. The Underfeed adds to the selling or renting value of any building.

Write today for free booklets on Underfeed Warm Air, Steam and Hot Water Heating Systems. Our representative will be glad to call any time and make you a detailed proposition.
